

Ag Plastics Recycling

When: Wednesday, March 22, 10-noon

Where: Sauk County Highway Shop, 620 HWY 136, West Baraboo

Farmers will be able to drop off their silage bags, bunker covers, bale wrap, plastic feed bags, and hoop film. Plastic feed bags and hoop film **MUST** be kept separate from other plastics being recycled. Plastic baler twine will not be accepted but can be used to tie loose plastic into bundles. Net wrap is not accepted. Please do not bring it to the collection or hide it in the supersacks.

Loose plastics are not accepted. Plastics can be brought to the Highway Shop in a supersack. Supersacks keep the plastic dry and protected, take up less floor space, and are easier to handle than loose storage. The plastics must be as clean and dry as possible to maximize recycling opportunities.

Free supersacks are available at the following locations:

Reedsburg Farmer's Cooperative

300 South Walnut, Reedsburg

United Cooperative

1360 Laukant Street, Reedsburg

United Cooperative

E11145 Hwy. 60, Sauk City

McFarlanes'

780 Carolina Street, Sauk City

Lime Ridge Agri Supply

115 Minor Street, Lime Ridge

Hohl Farm Supply Inc.

W11942 State Road 33, Portage

Blain's Farm & Fleet

1100 South Boulevard, Baraboo

United Cooperative

E11725A Co. Rd. Z, Prairie du Sac

Recycling these plastics keeps them out of landfills and can reduce disposal costs for farmers. Burning plastic is illegal and a dangerous source of air pollution.
